

Purple Martin numbers are in decline. An inventory is being created to get better numbers for purple martins. It is exciting to see that you are providing housing for the martins. Would you be willing to provide some information about your colony?

What is the name of the colony, what should we call it? _____

(note: many just use their name)

Physical address:

Street Number: _____

City: _____ Zip code: _____

Type of Housing:

Artificial gourds _____ (number)

Natural gourds _____ (number)

Houses/Apartments _____ (number of compartments available)

Total holes available _____

How long has this colony been in existence? _____ (Best estimate if unsure)

2014 Statistics:

Number of successful nesting pairs: _____ Number of young fledged: _____

Number of adult/subadult birds not nesting: _____

Would you be willing to provide a phone number, e-mail for follow up next year?

Name: _____

Phone Number: _____

e-mail: _____

Notes: How is the colony doing? Any other interesting facts, details, data on the colony?
(Use the back of this form to provide more information if you wish)

Please return form to:
